## Mongol Status

### Local Status Report

- ❖ The government submitted its first report according to the disabled peoples' human rights agreement approved by the UNO 62-1 general meeting's decision.
- ❖ However, there are still many tasks remaining such as the disabled peoples' employment act
- ❖ We are anticipating a new disabled peoples' human rights improvement paradigm through this year's national assembly election
- ❖ DPI Mongol is currently a non-government organization that currently doesn't receive any government support
